"Bringing out the Best in Everyone"

8 September 2020

Dear Everyone

Well, we are all finally back together under one roof, in one big bubble! It is a great feeling. Not only is it good to be a full school again, it is also good to welcome all our new starters, we are all looking forward to getting to know each other well.

There is a busy term ahead. I hope you have all had the information you need. Please contact the school office if there is anything else you want to know or any individual requests.

I have a few things for you today, there will be plenty more information as term goes on.

1. Parents / Carers Evening. Tuesday 6 October from 4pm until 7pm. Appointments are 15 minutes long. More details to follow nearer the time.

2. **The New Normal – Lessons from Lockdown**
Thursday 10 September @1.30pm in the school hall.

We would like to invite all families to come along to an afternoon of conversation. We will provide drinks and snacks and invite you all to join in to talk about our experiences during lockdown. We will be talking about things that were challenging and the things we missed as well as new things we learned and new things we want to do.

It is an informal hour / hour and a half, and is a version of the work we are doing with our pupils. We hope it is something you may find interesting and helpful.

3. **KS4 Options Information for parents and pupils will follow Lessons from Lockdown**
Thursday 10 September @ 3.15pm. All families from Years 10 and 11 should attend.

4. We have a free breakfast club open every morning from 8.30am. All pupils are very welcome.

5. After School Club is currently on hold due to COVID 19 restrictions. We are hoping to re-open after October half term.

6. FACE COVERINGS

We have spoken to Public Health England today (Tuesday 8 Sept) and this is how we propose to proceed.

Please note the following:-

All pupils who arrive by taxi or public transport must wear a face covering.

Masks are permitted in school but we ask that they are not worn in lessons. We will, of course, consider any special requests, please contact Jo or Natasha in Family Services.

We ask that a disposable mask is used for only one day and that a re-useable mask is washed daily.

While a mask is not being used, pupils will be asked to store them in a small bag (not their pocket!). School will provide small bags but please feel free to provide your own.

We have a few spare masks in school but only for use in emergencies.

7. STOP PRESS. We had a Full Governing Board meeting last night. Alf Rogers has now stood down as Chair. Alf is a great friend of our school and has done fantastic work during his period of office. We all offer him our thanks for the huge contribution he has made to our school.

Our new Chair is Kirsty Gilroy, many of you will know her as she has a son in Year 9. Kirsty will be in touch very soon and we all welcome her to her new role.

8. Overleaf is the menu for our café. We are back open again and would love to see you very soon. Bring all your friends, we will make you very welcome. Opening hours are 9am – 4pm. The café is part of The Healthy Living Centre, Walton Court, Aylesbury, HP21 8TJ.

Take care everyone and see you all soon.

David Miller

Headteacher
