Pebble Brook School is a secondary Special School for approximately 160 pupils aged 11-19 with a range of moderate learning difficulties. We are based on an attractive site in the centre of Aylesbury and maintained by Buckinghamshire Local Authority. Our pupils come from all over the county, some have attended primary special schools whilst others have previously been in mainstream schools across the county.

This is an exciting opportunity for you to start your career as a Teaching Assistant, gaining experience with a range of learning needs whilst achieving a Level 3 qualification. The duration of the apprenticeship is usually 18 months and permanent employment may be available on successful completion of the apprenticeship.

Experience of working with children and young people would be an advantage but not essential. Good communication skills with adults, children and young adults are desired, as are good literacy and numeracy skills, good written and spoken English and a good working knowledge of ICT to be able to use ICT effectively to support learning.

We welcome applications regardless of ability, gender, ethnicity or religion.
Because of the nature of our setting, we have a minimum age requirement of 18.

This school is fully committed to safeguarding and the welfare of children and young people in all aspects of its work, including recruitment, and expects all staff and volunteers to share in this commitment.
