"Bringing out the Best in Everyone"

Monday 20th January 2025

Dear Parents and Carers,

This is a short note to explain the slight change in my own position as Headteacher.

As we have not yet appointed a replacement I will be staying until the end of the Summer Term meaning I will leave late July rather than April.

There are interviews coming up for my replacement so the successful candidate will start as Headteacher in September 2025. The reason I am staying is that without the appointment of another Headteacher, the school's Senior Leadership Team would be a whole person down.

Yours sincerely,
