

"Bringing out the Best in Everyone"

9th December 2025

Dear Parents and Guardians,

We are exploring the possibility of offering music lessons, such as singing, playing an instrument, or creating music digitally for students, and we would love to gauge interest from our school community. These lessons would take place during school hours and could be delivered either one-to-one or in a small group.

We hope this opportunity will allow students to develop new skills, build confidence, and enjoy the many benefits that music education brings.

At this stage, we are gathering information to help us plan, determine interest levels, group sizes, and the types of lessons we may be able to offer. However, please note that this is not yet guaranteed and you and your child can change your mind later.

Please speak with your child and let us know if they would be interested in participating by completing the slip below and returning it to school no later than end of this term, 19th December 2025.

Thank you for your time. We look forward to the possibility of bringing more music into our students' lives!

Warm regards,
Marcus Stewart-Williams, Careers Advisor & Agnieszka Szeremeta, Assistant Headteacher
